DESCRIBE THE PRESENT AND ORIGINAL (If known) PHYSICAL APPEARANCE	
<p>           This building is on the southeast corner of Mulberry Street and Park Avenue. Although its street numbers (327, 329, 331 333) are for the east side, its south facade suggests that it was originally a double row house on Mulberry Street, each with a chimney on the east side wall. The brick walls have been painted bright red. There is a show window on Mulberry Street and two on Park Avenue; all three have been bricked in and the area painted white. The exterior of the first floor front and side probably bears little resemblance to the original.         </p>
